

How to do a Bulk Excel Upload to generate multiple shipments ?

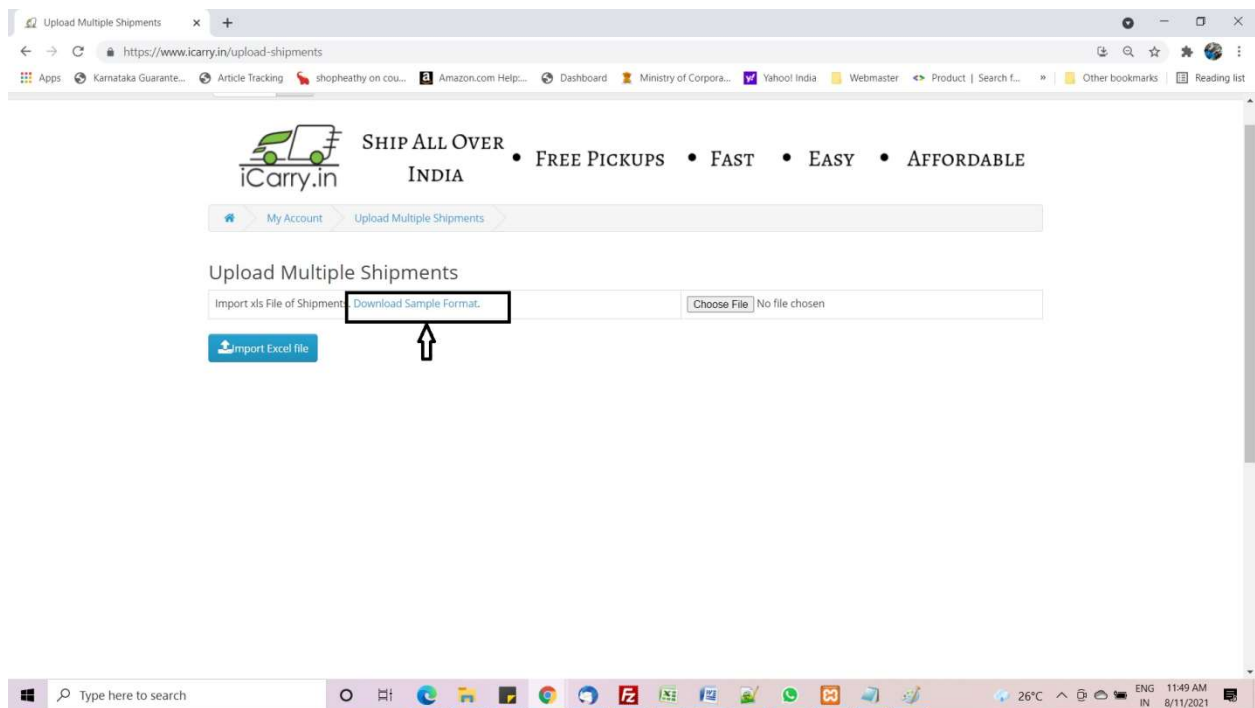

Step 1: Please log in to <https://www.iCarry.in/account> by using your credentials

Step 2: Click on Upload Multiple Shipments

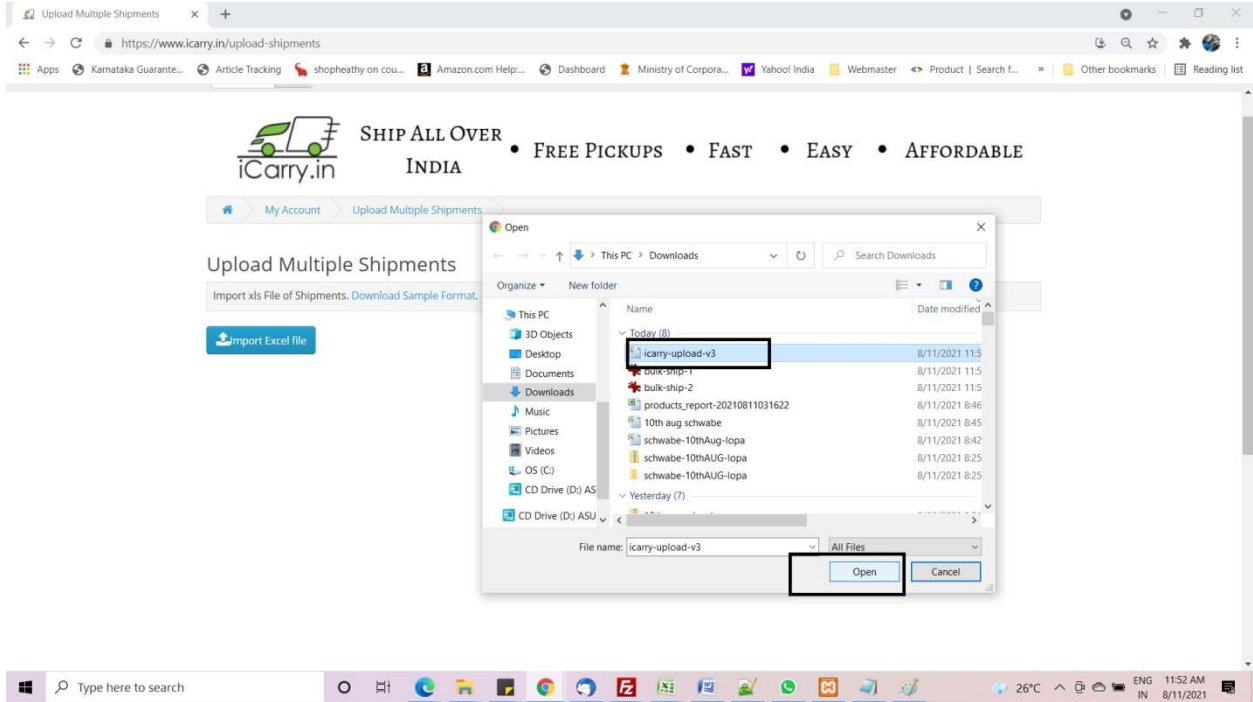

The screenshot shows the iCarry.in account dashboard. The 'My Shipments' section is highlighted, and the 'Upload Multiple Shipments' option is circled with a black box and an arrow pointing to it. The dashboard includes sections for 'My Account', 'My Shipments', 'Need Help?', 'My Cash on Delivery (COD)', and 'My Payments & Invoices'. On the right, there are promotional banners for 'Get Cash on Delivery Remittance Fast!' and 'Refer and Earn'.

Step 3: Download Sample Format

Step 4: Open the downloaded file and enter the shipment details in the given format

Step 5: After entering the shipment details in the excel file click on Import Excel file
